MANAGEMENT DISCUSSION, ANALYSIS AND OPERATIONS

OPERATIONS OF 2008-09 AND FUTURE OUTLOOK

The last few years have not been very good for the company. The best efforts of the management to increase the volumes of business of the company and maintain a steady growth in its operations & profits did not yield fruits.

The world over recession hit the operations of the software division of the company adversely and eventually the management had to stop the operations in its software division from the last quarter of the Financial year 2008-09.

The company has been sustaining from the income from other activities and the main line, i.e., pipes division has been incurring losses from the last few years. To save the company from further losses the management is planning to dispose of Land, Buildings, Plant & Machinery of its pipe unit situated at Nandikandi(V), Sadasivpet (M). Medak district. To this effect the negotiations with various parties are in progress.

The management is committed and determined to make the company a profitable one and increase the shareholders wealth and give optimum returns on the investments. In this direction the management is planning to take forward the merger plan with Sri Venkateswara Pipes Limited, and the scheme of merger will be presented to the concerned authorities such as the stock exchanges & before the Hon'ble High Court of Andhra Pradesh for final approval.

The management is confident that the merger will be a turning point to BWPL and this will take the company to a reasonable growth over the years to come.
